August 2016

Dear Fellow State Employees:

In 1993, state legislation created the Connecticut State Employee Charitable Campaign (CSEC), a statewide annual effort that allows employees/retirees the opportunity to support many of their favorite charities through payroll deduction, or a one time gift donation. From the start of the CSEC, state workers have contributed millions of dollars that directly benefit local and national charitable organizations.

All of us should be proud of the $1.3 million that was raised during last fall’s fundraising effort. It is through the generosity of more than 6,000 caring individuals that more people are receiving the vital services needed to improve their quality of life.

Charities eligible under the CSEC campaign provide health and human services, environmental programs, human rights, educational programs for children, as well as programs for the elderly. Each approved charity meets specific standards that have been reviewed by members of the State Employees’ Campaign Committee so you can be confident that your contribution will be distributed to the organization of your choice.

As funding for social programs continues to be cut our contributions become even more essential to supporting services for those in need. Please give as generously as you can, but remember – any contribution, no matter how small, will make a difference in someone’s life. You can designate your contribution to any one or more of the nearly 700 charities listed in this directory, or on the campaign’s website at WWW.EMPLOYEEGIVING.CT.GOV.

Thank you for your support.

Designations

You have the option of Designating all or a portion of your contribution to one or more charitable agencies listed in this directory. If you do not wish to designate your gift, it will be distributed to each federation based on their overall percentage of designated gifts. In the event the agency you designate to is not a part of the CSEC, or if your designation is incomplete or illegible, we will make every reasonable effort to contact you to determine where your donation should be directed. If we are unable to reach you, your gift will be distributed among the participating charities. Each charitable organization in this directory has gone through a rigorous screening process by the CSEC committee. Since the campaign is governed by State Regulations 5-262, only those charities that meet the requirements specified in the regulations, and are approved by the campaign committee, are eligible to receive contributions made through the CSEC. The CSEC is unable to accept donations designated to other charities not listed in this directory.

Pledges

The campaign has two methods for which a pledge can be made. The easiest method is payroll deduction of which $1 per pay period is the minimum contribution. Another option is a one-time gift in the form of cash or a check. Unfortunately, a one-time payroll deduction pledge is not possible through this campaign. One time gifts can be made in cash, check or by credit card. Or, go online to: https://www.givingmatters365.org/_ctemployeegiving/

About The Entries in this Directory

All of the federations & their agencies listed in this directory have gone through a rigorous application review process based on regulations governing the operation of this campaign. Percentages listed after each organization’s description represent annual fundraising & administrative costs as a percentage of total income. Please visit the website: WWWGUIDESTARORG for financial information on the participating federations & charities.

Organizations with an administrative percentage over 25% are not accepted into this campaign unless they have adequately demonstrated that they are taking the necessary steps to bring these expenses below 25%, as is the case with agencies that have an (*) after their percentage. The CSEC committee has given these agencies a one-year extension to bring their administrative cost to below 25%.

Acknowledgment

If you wish to receive an acknowledgment from the charity (ies) to which you designated, please check the appropriate box on the pledge card. Please Note: the charity (ies) will receive notification of the amount of your gift.
Seven federations are participating in the CT State Employees’ Campaign. All of the federations have also entered their member agencies into the campaign.

Committee members wanted to find a way to acknowledge and thank state agencies that have not been recognized in the past. As a result, the committee presented awards in four categories based on agency size.

In the SMALL SIZED agency category, for agencies with 1 to 500 employees, there were two awards given.

The first was presented to:
- An agency with 215 employees
- 18% of whom donated in 2015
- Contributions totaled $8,958 reflecting a 46% increase over 2014
- Campaign supported by two enthusiastic and commited co-coordinators

**DEPARTMENT OF CONSUMER PROTECTION**

The second award in the small sized agency category was to an agency that has:
- 145 employees, 10% of whom made a donation
- Together they raised $7,575 for the campaign – a 16% increase over 2014
- Continuous campaign promotion was the key to the coordinators’ success.

**CONNECTICUT AIRPORT AUTHORITY**

For MEDIUM SIZED agencies – 501 to 1,500 employees – there were two agency recipients:

The first went to an agency that has:
- 700 employees
- 22% of them donated $12,881 or
- 17% more than the 2014 campaign amount
- Coordinator was committed to promoting the campaign among staff

**NAUGATUCK VALLEY COMMUNITY COLLEGE**

The second MEDIUM SIZED agency recipient is an agency with:
- 750 employees
- 4% of them donated $18,672 or
- 23% more than the 2014 campaign amount
- Campaign was coordinated by a dedicated volunteer

**DEPARTMENT OF PUBLIC HEALTH**

Under the LARGE SIZED agencies - 1,501 to 3,500 employees - there was one honoree this year and the agency has:
- More than 3,000 employees, located in field office throughout the state
- Donations totaled $77,188 - or 9% more than the 2014 campaign
- Led by two first-time volunteers - both of whom were overwhelmingly supportive and extremely enthusiastic

We All Have a “Little Something to Give”

WHEN MARTIN ANDERSON, A NOW-RETIRED DAS* commissioner, asked me if I wanted to be a volunteer coordinator for the 2014 campaign, the first thought that came to me was the fable of Stone Soup. I am reminded that everyone has “a little something” to give. When we all pitch in to help those less fortunate than ourselves, it has such extraordinarily profound effect on our individual lives that is just immeasurable.

I enjoy being the coordinator for the Department of Administrative Services *(DAS) because the Connecticut State Employees’ Campaign really makes a difference in the lives of many people with special needs. I am so proud to be a part of it. Charity is one of the lessons we can give ourselves in humility. I believe the employees of DAS feel the same way by how much our agency donated to the campaign.

Special fund raising events, such as Power to Pink, Pizza Fundraiser (DCP), and the Veteran’s Day Fundraiser with Frankie’s Hotdogs, are a way to bring several agencies together to help raise additional awareness about the charities.

To the 171 State Retirees who generously donated over $31,000 to the nearly 700 charities in the 2015 Campaign:

Thank you!

Working with you to share the American Way.
HI, MY NAME IS CHARISSE HUTTON. I work for Support Enforcement Services, the Judicial Branch’s child support enforcement agency. Over 20 years ago I began volunteering with Columbus House, a homelessness and housing solutions organization based in New Haven. I prepared and served meals for the guests in the emergency shelter. (See photo—that’s me in the hair net chopping cauliflower.) The past 5 winters, I have helped my local church host 12 homeless men for a week, practicing “radical hospitality” along with other congregations as part of the Abraham’s Tent Program. And, for the past 6 years I served on the Board of Directors, helping set policy, plan strategically, and fundraise for Columbus House.

Why do I volunteer? And why do I give generously to Columbus House? Because I believe housing is a human right, and I want to help it become a reality for the approximately 13,000 people in Connecticut who are homeless. Columbus House has over 35 years of providing permanent housing, case management and emergency shelter to individuals and families in the New Haven area, Middletown, Hartford, New Britain, Waterbury and New London. Columbus House even operates a medical respite program for homeless persons who have nowhere to go when they are discharged from the hospital. Not only does Columbus House provide direct services, but it is a nationally recognized leader in the fight to end homelessness, starting with veterans and other chronically homeless people. In short, Columbus House gives people hope and helps foster independence.

Often “the homeless” have no name and no face. Supporting Columbus House has given me lots of names of homeless individuals and their personal stories which demonstrate that compassionate and professional services and case management can help people get and keep a home. Please join me in supporting Columbus House, #5749 in the State Employees’ Campaign Directory.

Since 1996 more than 300 state employees/retirees have participated in the campaign’s loaned employee program. Thank you to the state agency Commissioners and Executive Directors who have given approval to one or more of their employees to assist with the coordination & administration of the campaign. Loaned employees serve as primary contact for local campaigns throughout Connecticut & are a critical link between state employees & nearly 700 charities the campaign supports.

What are the benefits of participating? A commitment to participate is a solid investment & unifying factor for your department & the campaign. Employee participation allows for an introduction to areas the employee might not otherwise encounter such as opportunity for growth, development & improvement of people skills, organizational skills & leadership. And, the best aspect of the program is that participation improves Connecticut, making a better place to live & to work.

For more information on the program & its criteria, or for questions please call: Jan Gwudz Campaign Director 860-402-8430 or 860-887-5288

It may have been the presence of Fox 61 meteorologist Matt Scott, or we just got lucky, but the weather could not have been more perfect on August 12, 2015 at the annual campaign kick-off at the State Capitol. Hundreds of state workers sampled delicious food and beverages donated by area businesses. Volunteer photographers captured the bright smiles of those who posed on motorcycles displayed by Gengras Harley-Davidson. Disc Jockey Renee Prescott and the East Lyme Regional Theater Group provided entertainment. Thanks to all who made this event a huge success!
