The **Connecticut State Employees Campaign for Charitable Giving (CSEC)** provides Connecticut state employees with the opportunity to contribute to nonprofit charities easily. Through the **CSEC**, you can make gifts that help make a measurable difference for causes YOU care about locally, throughout the nation and around the world. The philanthropic contributions made by you and your colleagues make possible a wide range of vital services: shelter for the homeless, protection of the environment, research for the cure of diseases, care for both children and seniors, and much more! Get involved today by logging on to the Online Giving Portal to make your charitable gifts.

The CSEC is managed by United Way of Central and Northeastern Connecticut.
