August 2018

Dear Fellow State Employees:

In 1993, state legislation created the Connecticut State Employees Charitable Campaign for Charitable Giving (CSEC). The CSEC is a statewide annual effort that allows employees/retirees the opportunity to support many of their favorite charities through payroll deduction, or a one-time gift donation. From the start of the CSEC, state workers have contributed millions of dollars that directly benefited local and national charitable organizations. It is through the generosity of several state employees/retirees that people are receiving the vital services needed to improve their quality of life.

Charities eligible under the CSEC campaign provide health and human services, environmental programs, human rights, educational programs for children, as well as programs for the elderly. Each approved charity meets specific standards that have been reviewed by members of the CSEC committee, so you can be confident that your contribution will be distributed to the organization of your choice.

As funding for social programs continues to be cut our contributions become even more essential to supporting services for those in need. Please give as generously as you can, remembering all contributions will make a difference in someone's life. You can designate your contribution to any one or more of the nearly 700 charities listed in this directory, or on the campaign's website at www.employeegiving.ct.gov.

Thank you for your support.

Sincerely,

Tim Newton, *Campaign Committee Chair*
Captain, Department of Correction

The Connecticut State Employees Campaign for Charitable Giving (CSEC) is the once a year opportunity for Connecticut state employees to contribute to non-profit charities in the workplace. Through the CSEC, you can make a single gift to help people locally, throughout the nation and around the world. The contributions made by you and your fellow employees make possible a wide range of vital services: shelter for the homeless, protection of the environment, research for the cure of diseases, care for both children and seniors. These are only a fraction of the services provided by the nearly 700 charities listed in this directory.

Keep this Directory

This directory is designed to act as a reference for you if you need to locate a service, are looking for volunteer opportunities, or need a question answered. The hundreds of listings in this directory include health, social action, human service, educational services and environmental organizations.

Campaign Help Line

If you have questions, concerns or comments about the CSEC, please contact the Campaign Help Line at 860-493-6840 or by email at awayhelp@unitedwayinc.org.

Last Year's Results

Thanks to you, \$839,915 was raised for the 2017/2018 campaign.

Voluntary Participation

Your participation in this campaign is completely voluntary. If you feel that you have been unduly pressured or coerced to participate in this campaign, please contact the Campaign Help Line at (860) 493-6840.

CSEC Administration

The operation of the CSEC is overseen by a group of State Employees who are appointed to serve on the State Employees Campaign Committee. United Way of Central and Northeastern Connecticut has been selected by the Campaign Committee to serve as Third Party Administrator (TPA) for this charitable drive. Functions of the TPA include: development of communication materials, coordination of training programs, management of state employee giving campaigns, reporting and distribution of campaign proceeds and supporting the efforts of hundreds of volunteers throughout the state who make this drive possible.

Campaign Dates

The campaign runs from September 5 to December 5. All gifts will be forwarded as specified by you after a deduction for administrative costs. Contact the CSEC for more information at 860-493-6846.

Visit the CSEC Website

Visit our website at www.employeegiving.ct.gov. You can email the staff with your thoughts and suggestions. We look forward to hearing from you. Visit our Facebook, Twitter, and Instagram pages @CSEC4CG.

Designations

You have the option of designating all or a portion of your contribution to one or more charitable organizations listed in this directory. If you do not wish to designate your gift, it will be distributed to each federation based on their overall percentage of designated gifts. In the event the agency you designate to is not part of the CSEC, or if your designation is incomplete or illegible, the TPA will make every reasonable effort to contact you to determine where your donation should be directed. If we are unable to reach you, your gift will be distributed among the participating charities. Each charitable organization in this directory has gone through a rigorous screening process by the CSEC committee. Since the campaign is governed by State Regulation 5-262, only those charities that meet the requirements specified in the regulations, and are approved by the campaign committee, are eligible to receive contributions made through the CSEC. The CSEC is unable to accept donations designated to other charities not listed in this directory.

Pledges

This campaign has two methods for which a pledge can be made. The easiest is payroll deduction (\$1 per pay period is the minimum contribution). Another option is a one-time gift in the form of cash, check or credit card. Please visit www.employeegiving.ct.gov for more information.

About the Entries in this Directory

Percentages listed after each organization's description represent annual fundraising and administrative costs as a percentage of total income. Please visit www.guidestar.org for financial information on the participating federations and charities. Organizations with an administrative percentage over 25 percent are not accepted into this campaign unless they have adequately demonstrated that they are taking the necessary steps to bring these expenses below 25 percent, as is the case with agencies that have an (*) after their percentage. The CSEC committee has giving these agencies a one-year extension to bring their administrative costs below 25 percent.

Acknowledgement

If you wish to receive acknowledgement from the charity(ies) to which you designate, please check the appropriate box on the on-line giving tool or the paper pledge form.

PLEASE NOTE: the charity(ies) will receive notification of the amount of your gift.

The Connecticut State Employees Campaign for Charitable Giving (CSEC) allows Connecticut state employees to contribute to non-profit charities through workplace giving. Through the CSEC, you can make a single gift to help people locally, throughout the nation and around the world. The contributions made by you and your fellow employees make possible a wide range of vital services: shelter for the homeless, protection of the environment, research for the cure of diseases, care for both children and seniors, and much more.

The CSEC is managed by United Way of Central and Northeastern Connecticut.
